The Meeting of the Board of Studies in English was held on 30<sup>th</sup> March, 2015 at 10.00 a.m in the College Conference Hall. The following resolutions were passed unanimously.

### ***RESOLUTIONS***

1. It is resolved to introduce a paper entitled “A Course in Linguistics” in the II-Semester for the first year students of English Literature (AGH) w.e.f the academic year 2015-16 in the place of “Craft of Writings” which is already introduced in the revised first year syllabus of General English.
2. It is resolved to replace “Appreciation of Prose” with “Appreciation of Poetry” in Paper-I, Semester-I of the First Year English Literature Course (AGH) w.e.f. the academic year 2015-16.
3. It is resolved to replace “A Book of Plays” edited by Bose with “A Book of Plays” edited by the Board of Editors on the General English syllabus of the Second Year ‘A’ Stream in semesters III& IV w.e.f the academic year 2015-16.
4. A Proposal to start a new course B.A., (English Literature, Journalism and Animation) was examined thoroughly by the Board of Studies. The three year scheme along with the First Year syllabus of English Literature was provisionally approved by the Board of Studies. And it was resolved to request Rev Fr. Principal to move a resolution in the Academic Council for introducing the said course with effect from the academic year 2015-2016.

### **RESOLUTIONS:**

The Board of Studies meeting in Physics was held on 24<sup>th</sup> March, 2015 at 10.00 a.m in the Physics Department. Following resolutions were passed unanimously after thorough discussion.

### **RESOLUTIONS:**

1. It is resolved to change the syllabus pattern of First Year Degree from the academic year 2015-2016 onwards i.e. to deal Mechanics in Semester-1, Waves & Oscillations in Semester-2.
2. It is resolved to add topics viz. Inertia tensor & Euler's equations in unit- 2 of Mechanics (Dynamics of Rigid bodies).
3. It is resolved to add topics "Acoustic Impedance and Decibel scale in unit -5 (a) Acoustic plane waves.
4. It is resolved to continue the existing syllabus for II & III Year B. Sc, Courses for the academic year 2015-2016. The pattern of the question papers, principles of valuation & list of experiments for practicals 1, 2, 3 and 4 remain the same.

### **Question paper pattern:**

5. It is resolved to change the Question paper pattern for the 1<sup>st</sup> & 2<sup>nd</sup> semesters from the academic year 2015-2016 onwards. The Question paper pattern is as follows.

Part A- Five questions with internal choice of equal weightage for each unit (Each unit is divided into sub-units (a) and (b).

Part B - Fifteen short answer questions with equal weightage for each unit (Three Questions from each unit, out of which one should be of problem solving type)

### **Project work:**

6. **It is resolved to conduct a three day work-shop in research methodology for students of physics in semester- V**

### 7. **New Diploma courses:**

It is resolved to introduce two Diploma Courses viz. IT Applications for Physics and Solar Energy, the latter Diploma course in collaboration with the Department of Renewable Energy Resources from the academic year 2015-2016.

### **Virtual lab:**

8. It is resolved to introduce Simulation Experiments **if sufficient number of systems with internet facility is provided in Physics lab.**

## **DEPARTMENT OF RENEWABLE ENERGY**

The Meeting of the Board of Studies in Renewable Energy Management was held on 30<sup>th</sup> March, 2015 at 3 pm in the College Conference Hall

After welcoming the gathering, Dr.A V Ravi Kumar, the Chairman Board of Studies, explained to the members present about the rationality of B. Voc Programme of UGC. He also explained the modalities of UGC and NSDC to be followed and informed the members about the following information from UGC. Quote “The University Grants Commission is organizing regional workshops for orientation of Principals/Nodal Officers of the Community Colleges and institutions implementing the scheme of B.Voc degree programme to discuss implementation modalities on Curricular Aspects, Assessment Criteria and Credit Framework for the Skill Based Courses. The various issues like National Occupational Standards, mapping of curriculum to Qualification Packs, implementation of Skill Development Management System, and other implementation issues will be addressed in these workshops. The workshop for the State of Andhra Pradesh will be held do n 7<sup>th</sup> April 2015 at University of Hyderabad, Hyderabad on 7<sup>th</sup> April 2015”.

All the members participated actively and after thorough discussion on the syllabus, the following resolutions were passed unanimously.

1. It is resolved that the Chairman Board of Studies is authorized to draft the syllabus in consonance with the requirements of UGC after attending the meeting of UGC.
2. Resolved to change the present I year syllabus(2014-15) with new syllabus to be followed from the year 2015-16 and proposed II year(for III and IV Semesters) syllabus (both Theory & Practicals) for 2015-16,as noted below, incorporating the Skill Component, while modifying the I year syllabus.
3. Resolved to introduce Practicals in General Paper, along with the existing THREE core paper practicals.
4. Resolved to offer One Year Diploma Course in **Solar Photo voltaic Technology**,in collaboration with Dept. of Physics and to prepare abridged syllabus, in order that the students may opt for it, in any year of their three year Degree Course.

## **DEPARTMENT OF CHEMISTRY**

The Meeting of the Board of Studies in **Chemistry** was held on 27<sup>th</sup> March, 2015 at 2.00 p.m in the Department. The following resolutions were passed unanimously.

### **RESOLUTIONS**

1. It is resolved to continue the existing syllabi for I, II, V & VI Semesters for the academic year 2015-2016
2. It is resolved to shift part-B (General Chemistry) of Paper -IV (In-organic and General Chemistry) to Paper- III of III semester as IV and V units

Unit IV: Stereo selectivity in Chemistry, Unit- V: a. Basic principles of Green Chemistry  
b. Introduction to Pericyclic reactions

In addition to this, *Synthetic strategies* is introduced in Unit V as Item "C".

3. It is resolved to shift Stereo Chemistry from III semester Organic Chemistry to General Chemistry of the same Semester.
4. It is resolved to shift Units I, II and III of Part-A of Paper -V (Organic and General Chemistry) from V semester to Paper- IV of IV semester as units III, IV and V respectively.
5. It is resolved to follow lab course II (Quantitative analysis) during III and IV semesters as Practical Paper -II.

## DEPARTMENT OF BOTANY

The meeting of the Board of Studies in Botany was held on 24<sup>th</sup> March, 2015, at 2.00 p.m in the Staff room. The following resolutions were passed unanimously.

### RESOLUTIONS:

1. It is resolved to modify the syllabi of Paper I of Semester-I.
2. It is resolved to introduce the following topics in unit-I in the place of existing topics:
  - a) General account of Bacteria.
  - b) Economic Importance of Bacteria.
  - c) Nature of Viruses - RNA and DNA Viruses.
  - d) Transmission of Viruses.
3. It is resolved to introduce Classification of Algae by Fritsch in Unit-II
4. It is resolved to introduce classification of Fungi by Ainsworth and delete Mucor and Colletotrichum in unit- III.
5. It is resolved to introduce Principles of Various Diseases in unit – IV
6. **It is resolved to introduce a study on two diseases caused by Bacteria, Viruses and Fungi each in unit – V**

The following diseases are studied in detail with causal organism, symptoms, Disease cycle and control measures.

- a) Diseases caused by Bacteria
    - 1) Canker - Citrus
    - 2) Blight - Rice
  - b) Diseases caused by Viruses
    - 1) Mosaic Virus - Tobacco
    - 2) Vein clearing - Bhendi
  - c) Diseases caused by Fungi
    - 1) Red Rot - Sugarcane
    - 2) Blast - Rice
- II. It is resolved to continue the existing syllabus for II, III, IV, V & VI Semester for the I, II & III year Courses for the academic year 2015-2016. The pattern of the question papers and principles of valuation remain the same.

The following resolutions were passed unanimously.

### **RESOLUTIONS**

1. It is resolved to **continue** the existing syllabus of papers II, III, IV, VI, VII & VIII for the academic year 2015 -2016.
2. It is resolved to **change** the syllabus of paper- **I of Semester I & Paper V of Semester VI.**
3. It is resolved to add Apiculture in the unit -IV of paper- I (Animal Diversity- Non-Chordata)
4. It is resolved to delete Abiotic factors: Light and Temperature in the unit -I and Biodiversity in the unit -III of paper -V (Ecology, Animal Behaviour and Evolution)/
5. It is resolved to add a short note on Carbon foot print and Eutrophication in unit -I and Introduction to Eco toxicology, toxic chemicals, biological effects of toxins, working of toxins; Factors affecting toxicity of chemicals (a) dose (b) duration of

exposure (acute & chronic) (c) biological reactivity of the chemical in question  
(d) Route of exposure (e) Additive response, synergistic response, potentiation,  
antagonism; Biotransformation of toxicants; Bioaccumulation and  
biomagnifications under Eco toxicology in the unit- III (Community, Population

The Meeting of the Board of Studies in Paramedical & Hospital Administration was held on 27<sup>th</sup> March, 2015 at 10 a.m in the Zoology Staff room.

After welcoming the gathering, Mr. G. Mathew Srirangam, the Chairman Board of Studies, explained to the members present about the rationality of B. Voc Programme of UGC. He also explained the modalities of UGC and NSDC to be followed and informed the members about the following information from UGC. Quote “The University Grants Commission is organizing regional workshops for orientation of Principals/Nodal Officers of the Community Colleges and institutions implementing the scheme of B.Voc degree programme to discuss implementation modalities on Curricular Aspects, Assessment Criteria and Credit Framework for the Skill Based Courses. The various issues like National Occupational Standards, mapping of curriculum to Qualification Packs, implementation of Skill Development Management System, and other implementation issues will be addressed in these workshops. The workshop for the State of Andhra Pradesh will be held do n 7<sup>th</sup> April 2015 at University of Hyderabad, Hyderabad on 7<sup>th</sup> April 2015”.

All the members participated actively and after thorough discussion on the syllabus, the following resolutions were passed unanimously.

1. It is resolved that the Chairman Board of Studies is authorized to draft the syllabus in consonance with the requirements of UGC after attending the meeting of UGC.
2. It is resolved to include one month of internship after the End of the First Year Course Study in MLT, as per the objectives of the programme so as to develop skills in Medical Lab Technology.
3. It is resolved to train the students in Radiology and Imaging Technology in the in 3<sup>rd</sup> Semester.
4. It is resolved to train the students in Anaesthesia in the in the 4<sup>th</sup> Semester.
5. It is resolved to include one month of internship after the End of the Second Year of the Course, as per the objectives of the programme so as to develop skills in Radiology and Anesthesia.
6. It is resolved that the course content for the 5<sup>th</sup> and 6<sup>th</sup> semester include only Hospital Administration.

After the End of the Third Year Course Study introduce one month internship as per the objective to develop Hospital Administration skills.
