SOCIETY OF JESUS

The Jesuits

The Society of Jesus is an International Catholic Religious Organization of men founded in the year 1540 by St. Ignatius of Loyola, with the motto of working for the Greater Glory of God by rendering service to humanity. It is led by its Superiour General, currently Very Rev. Fr. Arturo Sosa S.J. and its headquarters is situated in Rome. The members of this Organization are popularly known as the 'Jesuits'. There are around 16,000 men working

in 120 countries spread out in six continents. Of them, around 4,000 are working in India and more than 200 are working in Andhra Pradesh and Telangana. Today, the Jesuits render their services in schools and colleges, youth and social service centers, in parishes and missions, in spirituality and counseling centers and in almost every form of service and ministry in the Church.

Although the work of the Jesuits encompasses a wide range of works and ministries, they are best known for their educational work. Right from the inception, the Jesuits have been among the best teachers and educationists. At one time, they were called the school masters of Europe. Today, there are Jesuit Institutions of Higher, Secondary, Primary and Professional / Technical Education across the Globe.

In Andhra Pradesh, the Society of Jesus runs four reputable Colleges namely Andhra Loyola College and Andhra Loyola Institute of Engineering and Technology in Vijayawada, and Loyola Degree and Polytechnic College in Pulivendula; while in Telangana, it runs Loyola Academy in Secunderabad. Apart from these, the Jesuits administer 14 schools, including Loyola Public School in Guntur, St. Patrick's High School, Secunderabad and 3 Intermediate Colleges in the two Telugu States.

THE FOUNDER OF SOCIETY OF JESUS

Saint Ignatius of Loyola (1491-1556)

Passion for Life

Inigo Lopez de Loyola was born in a noble family of the Basque Region in Spain, in 1491. He was the youngest of the 13 children of his parents. He later became a page in the service of a relative, Juan Velazquez de Cuellar, Treasurer of the kingdom of Castile. As a young aristocrat, Ignatius had a "love of martial exercises and a vain glorious desire for fame". Joining the army at seventeen, he participated in many battles without injury. But when a French-Navarrese army stormed Pamplona's fortress on May 20, 1521, a cannon ball wounded one of his legs and broke the other. He was thirty, then. Soldiers carried the wounded Inigo to his ancestral home to recuperate. He had several surgical operations, which were very painful in the days before anaesthetics.

Passion for Reading Leads to a Desire to Change

During his days of recovery, he asked for books on chivalry, his favourite reading. But there were no such books in their Loyola castle. Instead, he was given the only books in the house: the “Life of Christ” and a collection of the “Lives of the Saints”. Inigo set about reading them. The more he read and reflected, the more did God become the centre of his life. His injury at Pamplona was God’s way of telling him that He wanted him in the service of Jesus Christ, the Eternal King.

Romantic Knight, Now a Passionate Pilgrim of God

By March 1522, Inigo’s right leg was sufficiently healed for him to put his plan into action. He undertook a pilgrimage to Mother Mary’s altar at Montserrat, and spent the whole night kneeling or standing and praying. At dawn, he renounced his sword and dagger, exchanged his fine clothes with a beggar’s sackcloth-tunic. A romantic knight now became a passionate Pilgrim of God.

A Docile Student of God, the ‘School-Master’

Inigo became God’s student. On his way to Barcelona, he stopped at Manresa, a town on the banks of the river Cardoner. There he spent ten months in total communion with God. He spent seven hours a day in prayer in a cave he had discovered. For several hours a day, he helped the sick in the hospital of St.Lucy. God, he said, was like a School Master teaching him step by step. He recorded the meditations and the illuminations he received in prayer in a notebook he carried. It was from this little book that his famous Book of Meditations, called the “Spiritual Exercises” would later emerge.

Passion to Lead People to God Makes Him a Dedicated Student

Inigo’s only desire was to help people to come closer to God. In order to do that, he needed to study. At the age of 34, he began to study Latin grammar, sitting in class with young boys. He then studied at the renowned Universities at Alcala and then at Salamanca. At the age of 38, he went to Paris and studied Philosophy and Theology for seven years.

A Magnetic Personality Attracts Many Good Student-Friends

In Paris, he shared a room with Peter Faber and Francis Xavier. His magnetic personality attracted many young people to him: James Laynez, Alphonsus Salmeron, Nicholas Bobadilla and Simon Rodrigues. He was for them a friend, philosopher and spiritual guide. With three more, Claude LeJay, PaschaseBroet, and John Codure who came later, Ignatius started the ‘Society of Jesus’ in 1540 to love God and serve humanity.

A Teacher and Educationist With a Heart For The Downtrodden

Ignatius always had a passion to teach. He taught the lettered and the unlettered, the rich and poor, elders and children. He taught them about God, religion and prayer and cared for the sick in hospitals. He started the Roman College in 1551 as a model for all colleges throughout the world. In 1552, he opened a college in Rome for the Seminarians to prepare themselves better to preach Christ.

Inigo Becomes St. Ignatius of Loyola

Ignatius died on 31st July 1556. When the body was made ready for visitors, there was a long line of Cardinals, Bishops, Priests, the Nobility and the poor of Rome, all coming to kiss the holy venerable hands of Ignatius. He was declared a Saint by the Church in 1622. July 31st the day he died, is celebrated worldwide every year as his Feast Day.

- iii. When a student takes leave for a day or two, he/she should submit his/her leave letter either before he/she takes leave or on the day of return from leave.

- iv. If leave is requested for reasons of illness for more than two days, the students should inform the Vice-Principal the reason for their absence by the third day. Academic Plan

As an Autonomous College, Andhra Loyola College, has adopted the semester system for undergraduate and post graduate programmes. The academic year is divided into two semesters, each consisting of 90 instructional days. The Odd Semester is from June to October and the Even Semester is from November to March. Each semester is a complete unit by itself. The instructional methods include conventional lectures, ICT based sessions, classroom interactions, guest lectures, seminars, symposia, field study, etc. The syllabi and the model question papers will be provided by the respective Departments.

Choice Based Credit System (CBCS)

Andhra Loyola College introduced CBCS in the Academic year 2004-2005 as the First College in the United Andhra Pradesh State.

Examination and Evaluation

1. Theory

The college follows a system of evaluation based on Continuous Internal Assessment (CIA) and Semester-End Examination (SEE) for UG and PG programmes. The 100 marks allotted for each theory paper in a semester are distributed with equal weightage (50:50) between CIA and SEE.

A. Continuous Internal Assessment (CIA)

The CIA in Theory consists of written and oral tests, assignment and regular attendance during the semester. The 50 marks allotted for each subject in CIA in each semester are distributed as follows:

Mid-Semester Test I	20 marks (15 written + 05 oral)
Mid-semester Test II	20 marks
Assignments	05 marks
Attendance	05 marks

- i. **Mid-Semester Tests:** Usually, each mid-semester test is held approximately after 40 days of instruction. The dates are notified in the Handbook. The syllabus and the model question paper for each mid-semester test will be provided by the respective Departments.

As the marks scored in the Mid-Semester tests are considered for final evaluation and award of class, student should take these tests earnestly. Absence from a scheduled test will be viewed very seriously, if permission is not obtained from the Principal/Vice Principal before the end of the scheduled examinations.

- ii. **Re-Mid Test:** Due permission may be obtained from the Principal/Vice-Principal by those students who would be absent from any Mid-Semester test to appear for the Re-Mid test during the same semester. However, it may be noted that granting permission is not a mere formality, but will be decided on the merit of each case. On obtaining permission, students should register their names with the Controller of Examinations after paying the necessary fee.

The Re-Mid tests will be conducted for two hours only during the preparatory holidays and the syllabus of the entire semester will be included while framing the questions.

- iii. **Assignments:** In general, every student is expected to submit an assignment in each subject in each semester. The choice of the assignment, its nature and the time limit for submission will be decided by the staff concerned. No assignments will be accepted after the stipulated date and it will entail loss of marks under this head.
- iv. **Attendance:** Subject-wise attendance will be calculated in terms of percentage while awarding marks.

Table for calculating marks for attendance:

% of Attendance	Marks
Upto 75	Nil
76-80	1
81-85	2
86-90	3
91-95	4
96-100	5

NB: As each semester is a complete unit in itself, any deficiency in CIA cannot be made up in the subsequent semesters. If a student is forced to repeat a semester for some reason, all his/her CIA marks will stand cancelled. While repeating the semester, the student has to follow the syllabus and the model question paper which are in force at that time.

From the 2010-2013 batch onwards, as per the guidelines of Krishna University, students must complete their Degree within six years from the time of admission.
- g. All the candidates have to answer the question papers in the medium as specified in their applications for admission into the course. No change of medium will be permitted thereafter.
