

Session Details:

Title: Inter Institutional Start-up Competitions

Dates: 04-07-2025 & 05-07-2025

Duration: 8 hours

Activity Category: IIC Calendar

Outcome of the Activity:

Inter-Institutional Start-up Competitions foster innovation and creativity by bringing together diverse talents from multiple institutions, encouraging collaborative problem-solving and knowledge exchange. Provide participants with practical exposure to entrepreneurship through pitching, business modeling, and networking with investors and industry experts. This platform not only help identify and nurture promising start-ups but also strengthen institutional reputation, promote best practices, and build a culture of innovation. Ultimately, these competitions contribute to talent development, regional economic growth, and the creation of impactful solutions to societal challenges.
