ADMINISTRATION MATRIX IN A COLLEGE RUN BY SOCIETY OF JESUS

THIS IS HOW A JESUIT COLLEGE IS ADMINISTERED. STUDENTS & STAFF CAN ALWAYS APPEAL TO HIGHER AUTHORITIES FOLLOWING THE MATRIX GIVEN ABOVE.

## ANDHRA LOYOLA COLLEGE

Andhra Loyola College (Autonomous) is a Catholic Christian Higher Educational Institution run by the Society of Jesus, whose members are popularly known as the Jesuits all over the world. It is located in Vijayawada, the second biggest city in Andhra Pradesh and a vital part of its Capital Region.

### **Origin:**

Madras Presidency of the British India consisted of Tamil, Telugu, Kannada and Malayalam speaking areas. However, over the years the Telugu people felt the need to have their neglected interests met in their own land – Andhra - and got Andhra University established in 1926 with Sir C R Reddy as the founding Vice Chancellor. Subsequently, the Telugu people started agitating for a separate State called Andhra for themselves during the British era itself to preserve their own identity and have their needs adequately met. The genesis of the College dates back to this time.

In 1943 Sir.C.R.Reddy, felicitating Bishop Ignatius Mummadi after his Episcopal Consecration as the new and second Catholic Bishop of Guntur, suggested to him to strive for the establishment of a Jesuit College in the centrally located Vijayawada area, like Loyola College, Madras (Chennai), as if to make amends for his decision to shift the establishment of Andhra University from the originally intended location of Vijayawada area (which he called ‘Blazewada’ for its hot summers) to Visakhapatnam (as a single piece of required vast area of land for a University could not be acquired in the fertile Vijayawada area within the stipulated time).

Sir C R Reddy made this suggestion to Bishop Ignatius because until then the Telugu Students had been going to the Jesuit Colleges in the Tamil speaking area of the Madras State for quality education.

Bishop Ignatius Mummadi since then started his relentless efforts for the same writing to the local Jesuit Superiors, but to no avail. Hence, he made it a point to meet the very Rev.Fr.John Baptist Janssens, the then Superior General of the Society of Jesus in Rome during his “Ad Limina” visit in 1948 and pleaded with him convincingly for starting a Jesuit College in Vijayawada area of the then Madras State in Independent India and the Jesuit General mandated the local Jesuit Provincial Superior to oblige the sincere request of the Bishop in course of time, but at the earliest possible.

Accordingly, Rev.Fr.K.Devaiah,SJ, a Telugu Jesuit from Guntur area, who was working as the Headmaster of St.Mary's High School, Dindigul, Tamilnadu, was tasked in April 1952 to select a suitable site for a Jesuit College in Vijayawada area. Fr.Devaiah reached Guntur on 1st August 1952 and met Bishop Ignatius. Both of them and many local leaders applied themselves to the task of selecting a suitable area and acquiring sufficient land for the needs of a Jesuit College.

There were many requests and delegations from the people of Bapatla, Vetapalam, Nambur, Muktyala, Gannavaram, Vijayawada etc., to start the College in their respective places.

After considering various proposals for the College site, Fr. Pinto, the then Jesuit Vice Provincial of Tamil Nadu, favored setting up the College in Vijayawada and communicated the same to Fr. Devaiah on 2nd January 1953. Accordingly, the process for acquiring 100 acres of land in Vijayawada began immediately with the help of local leaders, who formed themselves into the Vijayawada Loyola College Sahaya Sangham.

The Loyola College Society, Guntur – Vijayawada, was registered in Guntur on 30th June 1953 and the purchased 100 acres of land was registered in its name in course of time.

Sri C M Trivedi, the First Governor of Andhra State, which was newly formed on 1st October 1953, as the first ever linguistic state in independent India, after the supreme self-sacrifice of Amarajeevi Potti Sriramulu, laid the Foundation stone for the College on 9th December 1953 at 5.00 pm in the presence of Archbishops Mark Gopu of Hyderabad, Thomas Pothacamury of Bangalore, Bishop Ignatius of Guntur and over 6000 people.

At the request of the local leaders, who had been working shoulder to shoulder with the Jesuit pioneers for the realization of this Jesuit College Rev. Fr. Gordon, the then Jesuit Provincial Superior, (and the second Principal of the College) had agreed to name the College as Andhra Loyola College, in the jubilant context of creation of a separate Andhra State for the Telugu people of Coastal and Rayalaseema Regions.

Thus, Andhra Loyola College was literally the long cherished dream of so many Telugu people coming true.

The building work began in January 1954 under the supervision of the Italian Missionary Architect Brother Giani David. The first Academic session of the College began on 22nd July 1954, after two postponements due to heavy monsoon rains, with 394 in Intermediate students - 160 in two Maths - Physics - Chemistry sections and 154 in two History groups - with 24 Teaching Staff Members including four Jesuits Fathers.

The College was admitted to Grant – in – Aid on 18.11.1955.  
(Gleaned from the first issue of the College Magazine published in March 1956).

\*\*\*

It was first affiliated to Andhra University till December 1976 and to Acharya Nagarjuna University till 2010. Thereafter it is affiliated to Krishna University.

It was granted the Autonomous status on 24-10-1987 in recognition of its excellent contribution to the cause of education. The College owes a great debt of gratitude to its benefactors, well-wishers and staff who have spared no pains to further its cause.

## **THE FOUNDER OF SOCIETY OF JESUS**

### **Saint Ignatius of Loyola (1491-1556)**

#### **Passion for Life**

Inigo Lopez de Loyola was born in a noble family of the Basque Region in Spain, in 1491. He was the youngest of the 13 children of his parents. He later became a page in the service of a relative, Juan Velazquez de Cuellar, Treasurer of the kingdom of Castile. As a young aristocrat, Ignatius had a "love of martial exercises and a vain glorious desire for fame". Joining the army at seventeen, he participated in many battles without injury. But when a French-Navarrese army stormed Pamplona's fortress on May 20, 1521, a cannon ball wounded one of his legs and broke the other. He was thirty, then. Soldiers carried the wounded Inigo to his ancestral home to recuperate. He had several surgical operations, which were very painful in the days before anaesthetics.

#### **Passion for Reading Leads to a Desire to Change**

During his days of recovery, he asked for books on chivalry, his favourite reading. But there were no such books in their Loyola castle. Instead, he was given the books in the house: the "Life of Christ" and a collection of the "Lives of the Saints". Inigo set about reading them. The more he read and reflected, the more did God become the centre of his life. His injury at Pamplona was God's way of telling him that he wanted him in the service of Jesus Christ, the Eternal King.

## **Romantic Knight, Now a Passionate Pilgrim of God**

By March 1522, Inigo's right leg was sufficiently healed for him to put his plan into action. He undertook a pilgrimage to Mother Mary's altar at Montserrat, and spent the whole night kneeling or standing and praying. At dawn, he renounced his sword and dagger, exchanged his fine clothes with a beggar's sackcloth-tunic. A romantic knight now became a passionate Pilgrim of God.

## **A Docile Student of God, the 'School-Master'**

Inigo became God's student. On his way to Barcelona, he stopped at Manresa, a town on the banks of the river Cardoner. There he spent ten months in total communion with God. He spent seven hours a day in prayer in a cave he had discovered. For several hours a day, he helped the sick in the hospital of St. Lucy. God, he said, was like a School Master teaching him step by step. He recorded the meditations and the illuminations he received in prayer in a notebook he carried. It was from this little book that his famous Book of Meditations, called the "Spiritual Exercises" would later emerge.

## **Passion to lead people to God makes him a Dedicated Student**

Inigo's only desire was to help people to come closer to God. In order to do that, he needed to study. At the age of 34, he began to study Latin grammar, sitting in class with young boys. He then studied at the renowned Universities at Alcala and then at Salamanca. At the age of 38, he went to Paris and studied Philosophy and Theology for seven years.

## **A Magnetic Personality attracts many Good Student-Friends**

In Paris, he shared a room with Peter Faber and Francis Xavier. His magnetic personality attracted many young people to him: James Laynez, Alphonsus Salmeron, Nicholas Bobadilla and Simon Rodrigues. He was for them a friend, philosopher and spiritual guide. With three more, Claude LeJay, Paschase Broet, and John Codure who came later, Ignatius started the 'Society of Jesus' in 1540 to love God and serve humanity.

## **A Teacher and Educationist with a Heart for The Downtrodden**

Ignatius always had a passion to teach. He taught the lettered and the unlettered, the rich and poor, elders and children. He taught them about God, religion and prayer and cared for the sick in hospitals. He started the Roman College in 1551 as a model for all colleges throughout the world. In 1552, he opened a college in Rome for the Seminarians to prepare themselves better to preach Christ.

## **Inigo Becomes St. Ignatius of Loyola**

Ignatius died on 31st July 1556. When the body was made ready for visitors, there was a long line of Cardinals, Bishops, Priests, the Nobility and the poor of Rome, all coming to kiss the holy venerable hands of Ignatius. He was declared a Saint by the Church in 1622. To mark his death day, 31st July is celebrated as his Feast Day every year across the world.

If a student is absent even for one period either in the morning session or in the afternoon session, he/she will lose half-a-day's attendance.
- ii. A student should apply for leave only in the prescribed form. Leave may be granted only at the discretion of the Principal/Vice-Principal mostly on medical ground.
- iii. When a student takes leave for a day or two, he/she should submit his/her leave letter either before he/she takes leave or on the day of return from leave.
- iv. If leave is requested for reasons of illness for more than two days, a student has to inform the Vice-Principal the reason for the absence by the third day. A medical certificate must be attached to the application which shall be submitted as early as possible, but not later than the day of return from leave.
- v. Leave letters submitted after the time limit will not be accepted.
- vi. If a student is absent continuously for more than 12 working days

## **2. Practicals**

The minimum attendance for practicals is 80% of the total practicals conducted during the semester.

## **Academic Plan**

As an Autonomous College, Andhra Loyola College, has adopted the semester system for undergraduate and post graduate programmes. The academic year is divided into two semesters, each consisting of 90 instructional days. The Odd Semester is from June to October and the Even Semester is from November to March. Each semester is a complete unit by itself. The instructional methods include conventional lectures, ICT based sessions, classroom interactions, guest lectures, seminars, symposia, field study, etc. The syllabi and the model question papers will be provided by the respective Departments.

## **Choice Based Credit System (CBCS)**

Andhra Loyola College introduced CBCS in the Academic year 2004-2005 as the First College in the United Andhra Pradesh State.

## **Examination and Evaluation**

### **1. Theory**

The college follows a system of evaluation based on Continuous Internal Assessment (CIA) and Semester-End Examination (SEE) for UG and PG programmes. The 100 marks allotted for each theory paper in a semester are distributed with equal weightage (50:50) between CIA and SEE.

### A. Continuous Internal Assessment (CIA)

The CIA in Theory consists of written and oral tests, assignment and regular attendance during the semester. The 50 marks allotted for each subject in CIA in each semester are distributed as follows:

Mid-Semester Test I	20 marks (15 written + 05 oral)
Mid-semester Test II	20 marks
Assignments	05 marks
Attendance	05 marks

- i. Mid-Semester Tests: Usually, each mid-semester test is held approximately after 40 days of instruction. The dates are notified in the Handbook. The syllabus and the model question paper for each mid-semester test will be provided by the respective Departments.

As the marks scored in the Mid-Semester tests are considered for final evaluation and award of class, student should take these tests earnestly. Absence from a scheduled test will be viewed very seriously, if permission is not obtained from the Principal/Vice Principal before the end of the scheduled examinations.

- ii. **Re-Mid Test:** Due permission may be obtained from the Principal/Vice-Principal by those students who would be absent from any Mid-Semester test to appear for the Re-Mid test during the same semester. However, it may be noted that granting permission is not a mere formality, but will be decided on the merit of each case. On obtaining permission, students should register their names with the Controller of Examinations after paying the necessary fee.

The Re-Mid tests will be conducted for two hours only during the preparatory holidays and the syllabus of the entire semester will be

included while framing the questions.

- iii. **Assignments:** In general, every student is expected to submit an assignment in each subject in each semester. The choice of the assignment, its nature and the time limit for submission will be decided by the staff concerned. No assignments will be accepted after the stipulated date and it will entail loss of marks under this head.
- iv. **Attendance:** Subject-wise attendance will be calculated in terms of percentage while awarding marks.

Table for calculating marks for attendance:

<b>% of Attendance</b>	<b>Marks</b>
Upto 75	Nil
76-80	1
81-85	2
86-90	3
91-95	4
96-100	5

**NB:**As each semester is a complete unit in itself, any deficiency in CIA cannot be made up in the subsequent semesters. If a student is forced to repeat a semester for some reason, all his/her CIA marks will stand cancelled. While repeating the semester, the student has to follow the syllabus and the model question paper which are in force at that time.

## **B. Semester - End Examinations (SEE)**

The regular and Supplementary Semester-End Examinations (SEE) for odd semesters (I, III, V) are held in Oct/Nov and for both odd and even semesters (II, IV, VI) in March/April, every academic year.

### **i. Eligibility**

- a. Every student who has at least 75% of attendance in a semester is eligible to take the Semester-End Examinations.
- b. Any student who has between 60% and 75% of attendance in a semester owing to health problems may be permitted to take the Semester-End

Examinations on payment of the prescribed condonation fee for attendance.

- c. Any student with less than 60% of attendance in a semester will not be permitted to take the Semester-End Examinations. He/she has to repeat that semester, in the event of which, all his/her earlier CIA marks shall stand cancelled. However, if any student has between 50% and 60% of attendance in a semester and has at least 85% of attendance in the preceding or subsequent semester of the same academic year, he/ she may be permitted to take those examinations, on payment of the prescribed condonation fee for attendance, without repeating that semester.
- d. In semester VI, if a student has attendance between 50% and 60%, he/ she may be permitted to write the examinations, at the discretion of the Principal, under the following conditions:
  - \* In all previous semesters, his/her average attendance has been 75% or more.
  - \* His/her prolonged absence is due to illness or other exigencies of life and he/she has been regular to classes at other times.
  - \* His/her case is recommended for consideration by a committee consisting of the Vice-Principal and the Head(s) of the Department(s) concerned.

## **ii. Registration**

Every eligible student shall register himself/herself for the Semester-End Examinations through an application by paying the prescribed examination fee within the stipulated time. The College reserves the right of permitting a student for Semester-End Examinations on grounds of discipline, attendance, etc.

## **iii. Examinations**

- a The question papers for Semester-End Examinations are prepared according to the latest syllabi and model question papers approved by

the Boards of Studies and the Academic Council.

- b The students who repeat a semester will have to take the Semester-End Examinations with the syllabi and the model question papers which are in force at that time.
- c **For the present II & III years and Supplementary candidates only:**

- e The candidates with arrears as well as the Supplementary candidates will have to get the syllabus and the model paper from the Heads of the Dept. concerned, while preparing for their Examinations.
- f **Grace Period:** From the 2010-2013 batch onwards, as per the guidelines of Krishna University, students must complete their Degree within six years from the time of admission.
- g All the candidates have to answer the question papers in the medium as specified in their applications for admission into the course. No change of medium will be permitted thereafter.
- h Students are permitted to write supplementary examinations with their course syllabus for a consecutive period of five examinations conducted with their syllabus and model paper. After five attempts, they must appear for the examinations in the existing syllabus and model paper.

## 2. Practical's

The practical methods include laboratory work, project work, field work, practical training, record work, etc. The syllabi, model question papers and the practical schedule will be provided by the respective Departments.

100 marks will be allotted to each practical examination in a semester and distributed with equal weightage for CIA and SEE (50:50).

### **A. Continuous Internal Assessment (CIA):**

The CIA for Practical Assessment is based on the student's performance in Laboratory Work, Project Work, Record Work etc. The 50 Marks for CIA in each semester are distributed as follows: 25 Marks for Internal Practical Exam; 20 Marks for Laboratory /Project Work and 5 Marks for Attendance.

- i. Laboratory:** The assessment of laboratory work is done in each semester in specified practical hours. Students who fail to present themselves for such assessment without prior permission, will lose marks assigned for those sessions. The students with prior permission to absent themselves from such assessment may be given an opportunity to appear again in the same semester. A student who fails to attend such reassessment will lose marks.
- ii. Record Work:** Record work, complete in all aspects, is compulsory for assessment. The efficiency and the effort of the student are considered for the award of marks for the record work.
