4.4.2 – There are established systems and procedures for maintaining and utilizing physical and academic support facilities: Laboratory, Library, Sports complex, Computers, Class rooms etc. Describe policy details of systems and procedures for maintaining and utilizing physical academic and support facilities.

The policies governing the infrastructure of Andhra Loyola College are crafted with the aim of nurturing global citizens imbued with competence, conscience, and compassionate commitment. These policies adhere to the guidelines set forth by statutory bodies and are informed by emerging technological advancements. They prioritize the integration of necessary technological enhancements to ensure the quality, cost-effectiveness, and timely up gradation of infrastructure. Safety and maintenance protocols are paramount, with each equipment assigned inventory numbers and asset records meticulously maintained. Maintenance routines include regular lubrication, servicing of major equipment, and periodic clearing of osmosis water filters. In the case of machinery under warranty requiring repair, supplier engagement is pursued, with the college technicians facilitating external servicing when feasible.

Library policies underscore accessibility and preservation. The Fr. Gordon Library Information Centre operates on an open-access basis, leveraging fully automated systems with barcoding technology for resource access.

IT policy outlines the responsible and secure use of Information Technology resources at Andhra Loyola College (Autonomous), Vijayawada. It aims to ensure a productive learning environment while protecting college data and user privacy.

For Sports complex clear guidelines and rules are established regarding facility usage, conduct, and safety protocols. Users are required to adhere to dress codes, equipment usage guidelines, scheduling policies, and code of conduct. Orientation sessions are provided to inform users about facility rules, emergency procedures, and available amenities.

Department laboratories adhere to standard operating procedures (SOPs) for instrument handling, with maintenance logs maintained, rules prominently displayed, and peer audits conducted to ensure accountability and credibility in equipment management. These comprehensive policies reflect the college's commitment to fostering a conducive environment for holistic development and learning.
